

REMARKS

By way of this amendment, Applicants have cancelled claims 19-21, 25-27, 29-31, 60-64 and have added claims 111-117 to the application. Support for new claims 111-117 can be found throughout the specification, in particular at pages 19-20, and in the claims as originally filed.

In view of the fact that all pending claims have be cancelled and replaced with new claims 111-117, all pending rejections are now moot. Accordingly, the Applicants respectfully assert that the application is now in condition for allowance.
